# ABOUT THE ARTIST

SnipTease is an eccentric experience with utility.  
The performance has a product... a surprising souvenir!

Melodie Blaize is the lead artist and owner of SnipTease!

With only scissors, Melodie cuts and styles a basic t-shirt until  
it is a flattering and stylish top.

She has been creating wearable art and custom shirts since  
2009 and shows no signs of slowing.

You can tell that she is passionate about her work by the  
way she dances while she snips and keeps her scissors on  
beat, cutting to the music.

Melodie is committed to creating positive and engaging  
encounters with each and every guest.  
The focus of the SnipTease experience is to help people of all  
sizes and genders feel more comfortable and stylish in their  
t-shirt so they wear it with pride!

SnipTease creations are intricate but durable! They withstand
